## Starting school:

As per the Department for Education (DfE) Administrative Instructions and Guidelines, children are not required to attend school until they are six years old.

As of 2014, South Australia now has the same first day of school for all children – the beginning of Term One. Where a child turns five before May 1, they may start school on the first day of Term One of that year. Where a child turns five on or after May 1 they will start school on the first day of Term One the following year. The minimum age for starting school will be four years and eight months.

## Proof of age:

At the time of enrolment parents/guardians are required to provide proof of their child's birth age. The following documents will be accepted by schools in this regard:

- Passport
- Birth Certificate, or
- Official Centerlink documentation stating the child's name and birth date

## Early Entry-Gifted Students:

The decision as to where a child (in year level terms) attends at his/her school is determined according to the 'educational attainments' of the child. This is not determined by the parents but by the Principal in consultation with any relevant experts eg. Psychologist. However, ultimately the Principal has the final say (unless instructed by the relevant Education Director), Refer to DfE Gifted and Talented Students' Policy for additional information.
